#### Process and Use

The submission of the project above will include the following, interior and/or exterior images of the completed project. In the case of renovations, before pictures will also be included. These images will be used for judging. These images, along with the project title, will also be used by CICBA (Calgary Inner City Builders Association) as part of the CUBE Awards Gala presentation. The applicant and the project partners may also use the images, along with CICBA CUBE Awards title and logos, as part of their promotional information within their websites, social media publications at their leisure. Images containing family portraits/images will be removed from the submissions.

## 2023 CICBA CUBE AWARDS

### Project Owner(s) Authorization/Waiver

#### Process and Use continued

CICBA, CICBA CUBE Awards Committee, members of CICBA, the project applicant, project partners, and associated individuals are instructed to maintain the privacy of the project owner(s). The following information is not to be used or published at anytime in any way. This includes the project owner names, and the address of the project. Images will not be returned.

#### Authorization

Please be advised that I (we), \_\_\_\_\_, am (are) the owner (s) of the project listed above.

The project applicant, as listed above, is authorized to use this project within the guidelines stated above in the 2023 CICBA CUBE Awards competition.

I (we) hereby voluntarily waive, grant, and release all privacy rights of the photos within the submission. I (we) understand that exterior street images are considered public access and do not require permission of use. The images within the project (interior) are protected and this authorization allows for public use of these images by CICBA, CICBA CUBE Awards Committee, members of CICBA, the project applicant, and project partners.

***This authorization MUST be completed in its entirety prior to signing.***

By signing this document, I (we) agree to all terms, conditions, and that the information provided by this document is true and correct.
